

# Smoke Alarms

The right alarm in the right location may save you and your family's life.

<https://firesafe.sc.gov/docs/Right%20Alarm.pdf>

Through assistance from the Red Cross and Fire Safe South Carolina, York Fire Department offers smoke alarms free of charge to City of York residents. Staff will set up a time with you to visit your home, evaluate your existing detectors, and install new ones as needed. Use the form below to request an appointment.
